Inspiring The Dancer Within You

Recital Information

As our *End of the Year Performance* draws closer, we will be focusing more time on recital during classes. We would like to remind everyone that all students will be learning recital routines, even if they've opted not to be in our recital. This is an important time of year, and good attendance is appreciated.

All About Recital Week (April 12-17, 2010)

We would like to invite parents into class throughout this week. We are taking this time to go over what to expect from our upcoming performance in June. This will be the time to try on and take home costumes. We will also be handing out information on pictures as well. Please bring all the recital questions you can think of during this week!

Picture Day

The date for our *End of the Year Performance* Pictures will be **May 22, 2010**. More specific schedules and information will be handed out during "All About Recital Week".

"Day of Dance" Performance at the Spotsylvania Towne Center

Our Company members will be performing at the Spotsylvania Towne Center on Saturday February 20th from 1pm-5pm as Medicorp and WFLS present a "Day of Dance." Please come by and say hi and see how dance can be a fun way to keep your heart healthy at any age!
